SPARKS

Weekly Club Guide

Lesson 1: [“God Talks to us Through the Bible”](#) (click to watch)

Main Idea: God’s Word (the Bible) is a light for us that shows us everything we need to know about how to live. The Bible is how God speaks to us—it is God’s voice.

Key Verse: “Your Word is a lamp to my feet and a light for my path.”
Psalm 119:105

Ask These Questions:

1. **If we want to hear God’s voice and know what God thinks, where should we go?** (We should go to the Bible! It is God’s biggest way of speaking to us about everything in life.)
2. **What does God tell us about how to get to Heaven?** (God sent His Son, Jesus Christ, to die for our sins. Jesus prepares a place in Heaven for everyone who trusts in Him!)
3. **What does the God tell us about how to treat each other?** (God tells us to be kind to each other! We should be friendly to everyone, help people who are in trouble, and say kind words.)
4. **Is it ever okay to tell a lie, even if the truth might make something hard happen?** (God always wants us to be honest, even if we are afraid of what could happen. Lying or stealing always brings something worse than the truth.)
5. **How should we treat our parents?** (God tells children to obey their parents. God uses parents to guide, help, and protect children. Parents are a special way that God shows HIS power in kids’ lives!)
6. **What attitude does God want us to have?** (God wants us to be thankful, because He is with us to help us in good times and in bad times. He is always in control and always loves us... a reason to be thankful no matter what!)

Try This Activity:

Have your Spark(s) **listen to the video’s questions** (starting at 4:56) and answer them. Another fun idea is to have your kids **try a task in the dark** (matching socks, getting dressed, drawing a picture, sorting legos/crayons by color) and see if they can do it better with the light on. **Ask them to share** how the “light” of the Bible helps us walk through life! **Explain** that without Jesus, you can’t follow the Bible, but when you believe in Jesus, the Holy Spirit helps you walk in the light of the Bible!
